

Dear Ultrafabrics Customer,

Ultrafabrics would like to advise that we will be phasing out 47 SKUs from our Ultraleather, Promessa, Pony, Brisa Forecast, Eco Tech, Brisa Frontier, Cora, Brisa, Ultraleather Pro, Mokume, Helix, and Cove collections at the end of 2022.

Please be aware that as inventory levels decrease, meterage will be sold on a first-come, first-serve basis.

In most cases, we can offer a similar colour and/or grain as an alternative option, as detailed in the below list. If the recommended substitution does not suffice, the discontinued style can be purchased as a custom item with a 500-meter minimum order quantity.

We appreciate your business and continued support of the Ultrafabrics line. Please feel free to contact your sales representative directly or our Customer Service team at UFE@ultrafabrics.com, or **+44.116.260.9625**, if you have any questions.
